Defendants.	)	
_____	)	

This matter is before the court on Plaintiff's *pro se* complaint, filed in this court pursuant to 42 U.S.C. § 1983.

In accordance with 28 U.S.C. § 636(b) and Local Civil Rule 73.02 (B)(2)(d), DSC, this matter was referred to United States Magistrate Judge Bruce Howe Hendricks for pre-trial proceedings and a Report and Recommendation ("Report"). On January 23, 2009, the Magistrate Judge issued a Report recommending that Defendants' motion for summary judgment be granted and this matter dismissed with prejudice. The Magistrate Judge advised the parties of the procedures and requirements for filing objections to the Report and the serious consequences if they failed to do so. Plaintiff filed objections to the Report on February 4, 2009.

The Magistrate Judge makes only a recommendation to this court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with the court. *See Mathews v. Weber*, 423 U.S. 261 (1976). The court is charged with making a *de novo* determination of any portion of the Report of the Magistrate Judge to which a specific objection is

made. The court may accept, reject, or modify, in whole or in part, the recommendation made by the Magistrate Judge or recommit the matter to the Magistrate Judge with instructions. *See* 28 U.S.C. § 636(b).

After reviewing the record of this matter, the applicable law, the Report and Recommendation of the Magistrate Judge, and Plaintiff's objections, the court agrees with the conclusions of the Magistrate Judge. Plaintiff's objections to the Report fail to provide sufficient argument, legal or factual, to overcome the findings and recommendation of the Report.

Therefore, Defendants' motion for summary judgment is **granted** and this matter is dismissed with prejudice.

IT IS SO ORDERED.

s/ Cameron McGowan Currie
